4. Open Floor:

- Motion to open, Ryan C. 2nd Paul Glenn. An elangomat asks that in the future there be a list of projects to have less down time.
- Michael B. - Scout outreach to build a directory to help scout troops and help scoutmasters thrive in their units. The idea right now is to build a committee to build a directory of our areas to find other units to work with. This would be youth helping youth getting involved, help advance, and being a resource for events. A representative from each chapter would be ideal.
- Motion to make a Scout Reach Committee, Michael B. 2nd Colton T., unanimous vote.
- Ryan C. proposed to change the date of hawk day at Camp Jackson on October 2. Date cannot be moved due to council set dates.
- Matthew K. to discuss having a banner or a chant for future events. If anyone has an idea for designs for the banner, get with Colton T. An idea thrown out is to make the design the same design as the new standard flap design. Idea for a chant to be "Coosa #50, Coosa #1".
- Proposal of a metal Vigil belt buckle for vigil members on preorder. Motion to discuss, Paul Glenn, 2nd Colton T. This would be a pretty expensive item that would be limited to only 1 per vigil, and pre-order only. At this moment, it is one time only Motion to approve the design, Paul Glenn, 2nd Michael B., Unanimous vote. Second motion to allow Staff with exploratory next steps; Motion Paul Glenn, 2nd Ryan C.
