2019 SR-9 Conclave is Here!

Greetings, Brothers, and welcome to the 2019 SR-9 Conclave at Black Creek Scout Reservation! Coosa Lodge is well represented with a contingent of over 100 arrowmen! For our Conclave memorabilia theme this year we are celebrating a piece of Alabama History! 2019 is the 50th Anniversary of Apollo 11, the Saturn V rocket used for that mission was made in Huntsville, Alabama! Which at the time was part of Kaskanampo 310 territory but now part of Coosa Lodge. We are celebrating this anniversary with our Saturn V themed patch set and t-shirt. Also, we will share some history of Apollo 11 at our Tailypo booth. Make sure to check out our Tailypo booth! Have a great time this weekend at the 2019 SR-9 Conclave!

Chiefly Speaking

What's up Coosa Lodge! It's that time of the year again where our section unites together to fellowship, compete against one another, and celebrate all that our order has accomplished. I urge each one of you to take advantage of every opportunity that you have this weekend, whether it be from training, competitions, or patch trading. The more you put in, the more you'll get out. Take time to meet with your brothers from different lodges all across our great section. Our theme this year for Conclave is to commemorate the 50th anniversary of the Saturn V rocket, this is the NASA rocket that launched humans to the moon! This was a "giant leap for mankind", the ground breaking advancements that was made ever since then are astonishing, and we will only go further. I am believing that Coosa Lodge will move on into uncharted territory, we too will take giant leaps. Buzz Aldrin once said, "Mars is there, waiting to be reached." Brothers, we have reached the moon, and that was an amazing accomplishment, but it's time for us to reach for Mars!

Yours in Brotherhood,
 Andrew Huffman
 2019 Coosa Lodge Chief

One of the most rewarding jobs I have in Scouting is assisting the Council Camping Committee with the semi-annual camp inspections we do every year to help prepare our camps for the summer season. This morning, we were at Camp Comer and part of my assignment included the Flatt Rock Arena – it looked spectacular! The Arena was built largely by Coosa Arrowmen as the primary contribution by our Lodge in its early days to the Camp and is named after our first Lodge Adviser, Dr. James Flatt. It is a reminder of what we have done in the past and what we can do in the future. We have Hawk service days coming up soon at Camp Jack Wright and Camp Sequoyah and have a special request from Ranger Bobo for assistance getting Comer ready for summer camp. Please take advantage of these and other opportunities to provide the cheerful service we are known for.

This Weekend is Conclave. It is a time for fun and competition, take advantage of all it has to offer both to those of us who have taken part in many of these, and to the ones for whom it is the first time. Make the Coosa spirit alive and let everyone know who we are!

Yours in Scouting,
Don Russell
Coosa Lodge Adviser
