Coosa Lodge History

Do you have a box of old newsletters, meeting minutes, event rosters, patches, handbooks, or anything else related to the history of Coosa Lodge, Cheorkee Fifty, Achunanchi Lodge 135, or Kaskanampo Lodge 310?

Have you ever said to yourself, "I don't really want to keep this, but I hate to throw it away," knowing that someone would need it one day?

Well, today is your lucky day! The Coosa Lodge History Project is trying to collect as many artifacts as possible from our 88-year history. If you have something, there's a good chance that we need it. Bring it to Chris Brightwell, a member of the Key 3, or the next event!

Chiefly Speaking

Greetings and welcome to Fall Fellowship!

2018 has been a dynamic year for Coosa Lodge! We hosted Heartland Gathering at Camp Comer in April. Over 900 participants enjoyed the hospitality of Coosa Lodge. During that time, we were also preparing for NOAC at Indiana University. We took a contingent of 48 people to experience world class training and Native American activities. As a huge bonus, Coosa Lodge had one of the most highly sought after patch sets of the entire event. Many thanks to Remington for providing Coosa Lodge with the awesome artwork used on the patches.

ScoutFest was the highlight of the first part of November. Without great leaders and willing workers, this event would not have had the success that it did. We were able to be an active participant in many extra events this year, such as ScoutFest and NOAC, while still maintaining our regular lodge events such as Hawk Days and Induction Weekends, and many more events. All of you who have willingly worked and sacrificed your time and energy into these events have made it possible. This lodge is filled with eager members who have a desire to see the Lodge grow and yearn for its success.

I would like to extend my gratitude to the 2018 Lodge Executive Committee. I have asked a lot of them and they have always met and exceeded my expectations. They have worked tirelessly.

It has been my honor and privilege serving alongside of you over the last 377 days. This is a time of my life that I will always treasure. I am certain that I will always look back on this time with heartfelt joy.

Adviser's Minute

Welcome Coosa Lodge to the 2018 Fall Fellowship!

As we gather together for a fun filled weekend at Fall Fellowship, we celebrate a golden year in fellowship, a year like no other! In reflection, Coosa Lodge has had a remarkable year since our last Fall Fellowship. We held many service days in preparation for hosting the 2018 SR-9 gathering, known as Heartland Gathering at Comer Scout Reservation. We worked many other service days representing 1000's of hours of service to camps Sequoyah, Jackson and Westmoreland. Hosting SR-9 Heartland Gathering (now known as SR-9 Conclave) was a monumental undertaking and we exceeded all expectations. Coosa Lodge was well represented with over 300 of our own members hosting over 500 representatives from lodges across SR-9. Section leadership was incredibly pleased with the success of the event and every

lodge reported having a very positive experience. Kudos, Coosa!

Next, in July, we sent over 50 members of Coosa Lodge to the National Order of the Arrow Conference (NOAC) held at Indiana University, in Bloomington, IN. We were fortunate to have the opportunity to work with Remington Inc. and were able to use their logos on our lodge memorabilia. During NOAC a significant achievement went to Coosa Lodge's Jesse Mayhall, who placed 3rd in the nation in a Native American dance competition. What an exciting and memorable time for all those who attended. All are looking forward to NOAC 2020 at Michigan State University!

Then as if that weren't enough, Coosa Lodge was a prominent part of the Greater Alabama Council's ScoutFest 2018. Coosa Lodge provided a fun filled Indian Village with many crafts, exhibits, and an authentic Pow-Wow to over 2,500 scouts and scouters. Additionally, Coosa Lodge provided an on-site Service Corps for ScoutFest with many Arrowmen cheerfully serving. This was very successful in keeping the event running smoothly and minimizing the disruptions so that all attendees could enjoy the event. And last, but certainly not least, Coosa Shows provided the backbone of the entertainment portion of the evening show, along with many other behind the scenes photography and audio/visual support. Congrats to Coosa on another job well done!

But lest we forget, this event, Fall Fellowship took a great deal of effort to plan and run as well. And what a great event it is! It is now up to each of you to enjoy all there is to do here at Fall Fellowship.

At this time of celebration and fellowship I would like to express my heartfelt thanks to all who sacrificed so much of their time, labor and resources in order to provide an outstanding experience for all participants and to Scouting over this past year. I would especially like to recognize and thank the youth leadership of Coosa Lodge, from the chief, and vice-chiefs, down to committee chairs and each and every one of the members on their committees who worked tirelessly this entire year. Thank you all so very much. The Coosa Lodge team of youth leaders was inspirational as I watched them excel in the preparation and execution of their plans throughout the entire year. I am very fortunate and grateful to have served with these fine young men and look forward to even more cheerful service in 2019.

Again, welcome to the 2018 Coosa Lodge Fall Fellowship, a golden event!

Yours in Brotherhood and Service,
Jim Colson
