## Welcome to Spring Pow-Wow!

Welcome to Coosa Lodge's Spring Pow-Wow, at the beautiful Camp Comer atop Lookout Mountain! This weekend we welcome all Cubs, Troops, Crews, Ships, and Arrowmen! We have all sorts of activities available this weekend for everyone. For Cubs we have DIY Native American crafts, slingshots, and a 1 mile hike to the infamous Camp Comer Moon Rock. The hike to Moon Rock will be available to all, as well as Drum and Dance classes, Beading classes, a History of Coosa Lodge class, Corn Hole, Horseback Riding (with an additional \$40 fee), and a Thunderbird Night Hike. For the older Scouts we will also have tomahawk and knife throwing. This weekend we will also be providing a flag raising and lowering, and a flag retirement Saturday morning. We hope you enjoy the weekend, and join us again next year!

## Chiefly Speaking

Brothers, Scouters,

Welcome to Spring Pow-Wow! This weekend will be a time of fellowship and fun for everyone here whether you are on staff, just participating, or even going through your Ordeal. I hope you enjoy the activities we have planned and maybe even learn a thing or two from some of our offerings. This weekend presents us all with the opportunity to meet new people since everyone here is from a different program like: Cub Scouts, Scouts BSA, Venturing, and Sea Scouts. If you see someone from a different program and are curious about it don't be afraid to ask them what they do. That might even lead to you earning the Summit or Quartermaster award. You never know! Scouting presents us all with opportunities we wouldn't normally get in our daily lives, and Spring Pow-Wow has a way of bringing different programs of Scouting together. So take advantage of the time you have here and see what you might learn.

Since covid started way back last year, we've had trouble holding in-person events. In fact, this is only the third event we've physically held since the last pow-wow. But, amidst all the guidelines and policies we must follow to keep everyone safe I ask that you do this one thing. Have fun! OA events are meant for all of us to enjoy and make memories so please, have fun and enjoy Spring Pow-Wow!

## SR-9 Conclave 2021

For our Arrowmen: Our Section Conclave is coming up soon in just over a month! This event will be hosted by Withlacoochee Lodge at Camp Patten in Lakeland, Georgia, April 16-18. Register soon, at [sr-9.org](http://sr-9.org), we hope to see you all there!

## Coosa Lodge History Committee

Over the past few months since fall fellowship, the history committee has been hard at work establishing new projects for the future. Some of our work includes: camp, lodge, lodge chief, oral documentation, award, and officer history. We enjoy searching for the information we find but not everything we need has been recorded. If you have any sort of knowledge you believe might help us, then please reach out and contact us with any information you are willing to discuss.

Another history that is greatly appreciated is the highly coveted currency of our order... patches! If you have any patches you think we might not know of then please share those with us. One of our committee members will have a scanner at every event so we will always be available to take a good photo of the patch for proper documentation. Some of our major topics Coosa members can really help with is information from: Cherokee Fifty, Achunanchi 135, Kaskanampo 310. Anything you are willing to inform or help us with will be greatly appreciated.

If you have anything you would like to share please email us at:

## Tyler Wright, 2003 - 2021

It is with profoundly heavy hearts that we announce the death of our dear brother, Tyler Wright.

Tyler had the cheerful heart of a servant leader. Whether he was on staff at Camp Comer, working tirelessly with Coosa Shows, serving as a lodge officer or a section officer, or helping create some of the Order's first national virtual events, he accepted the most difficult tasks, and he always rose to the occasion.

Tyler joined Pack 53 as a Tiger Cub in 2009. He later earned his Arrow of Light, then received his Eagle Scout award in 2018 from Troop 160 under the guidance of his dad and Scoutmaster, Mr. Lamar Wright. He had recently helped his sister, Emma, complete her own Eagle Scout award to become part of the inaugural class of female Eagle Scouts.

He was a Vigil Honor recipient from Coosa Lodge and was near the end of his first term as the SR-9 Section Chief, serving Arrowmen across 11 lodges in Georgia and Alabama.

Tyler's cheerful nature touched the lives of hundreds of Scouts in our council, across the section, and across the country. His legacy of leadership and service will echo throughout our lodge for many years. He was loved by nearly all who knew him, and his light has gone out far too soon.

Tyler is survived by his parents, Amanda and Lamar, his sister, Emma, and his grandparents, Jerry (Kathy) Young and James Wright.
